

# Court of Justice of Thailand: Measures to Handle Court Proceedings in Time of Pandemic

**COJ**

ศาลยุติธรรม  
COURT OF JUSTICE

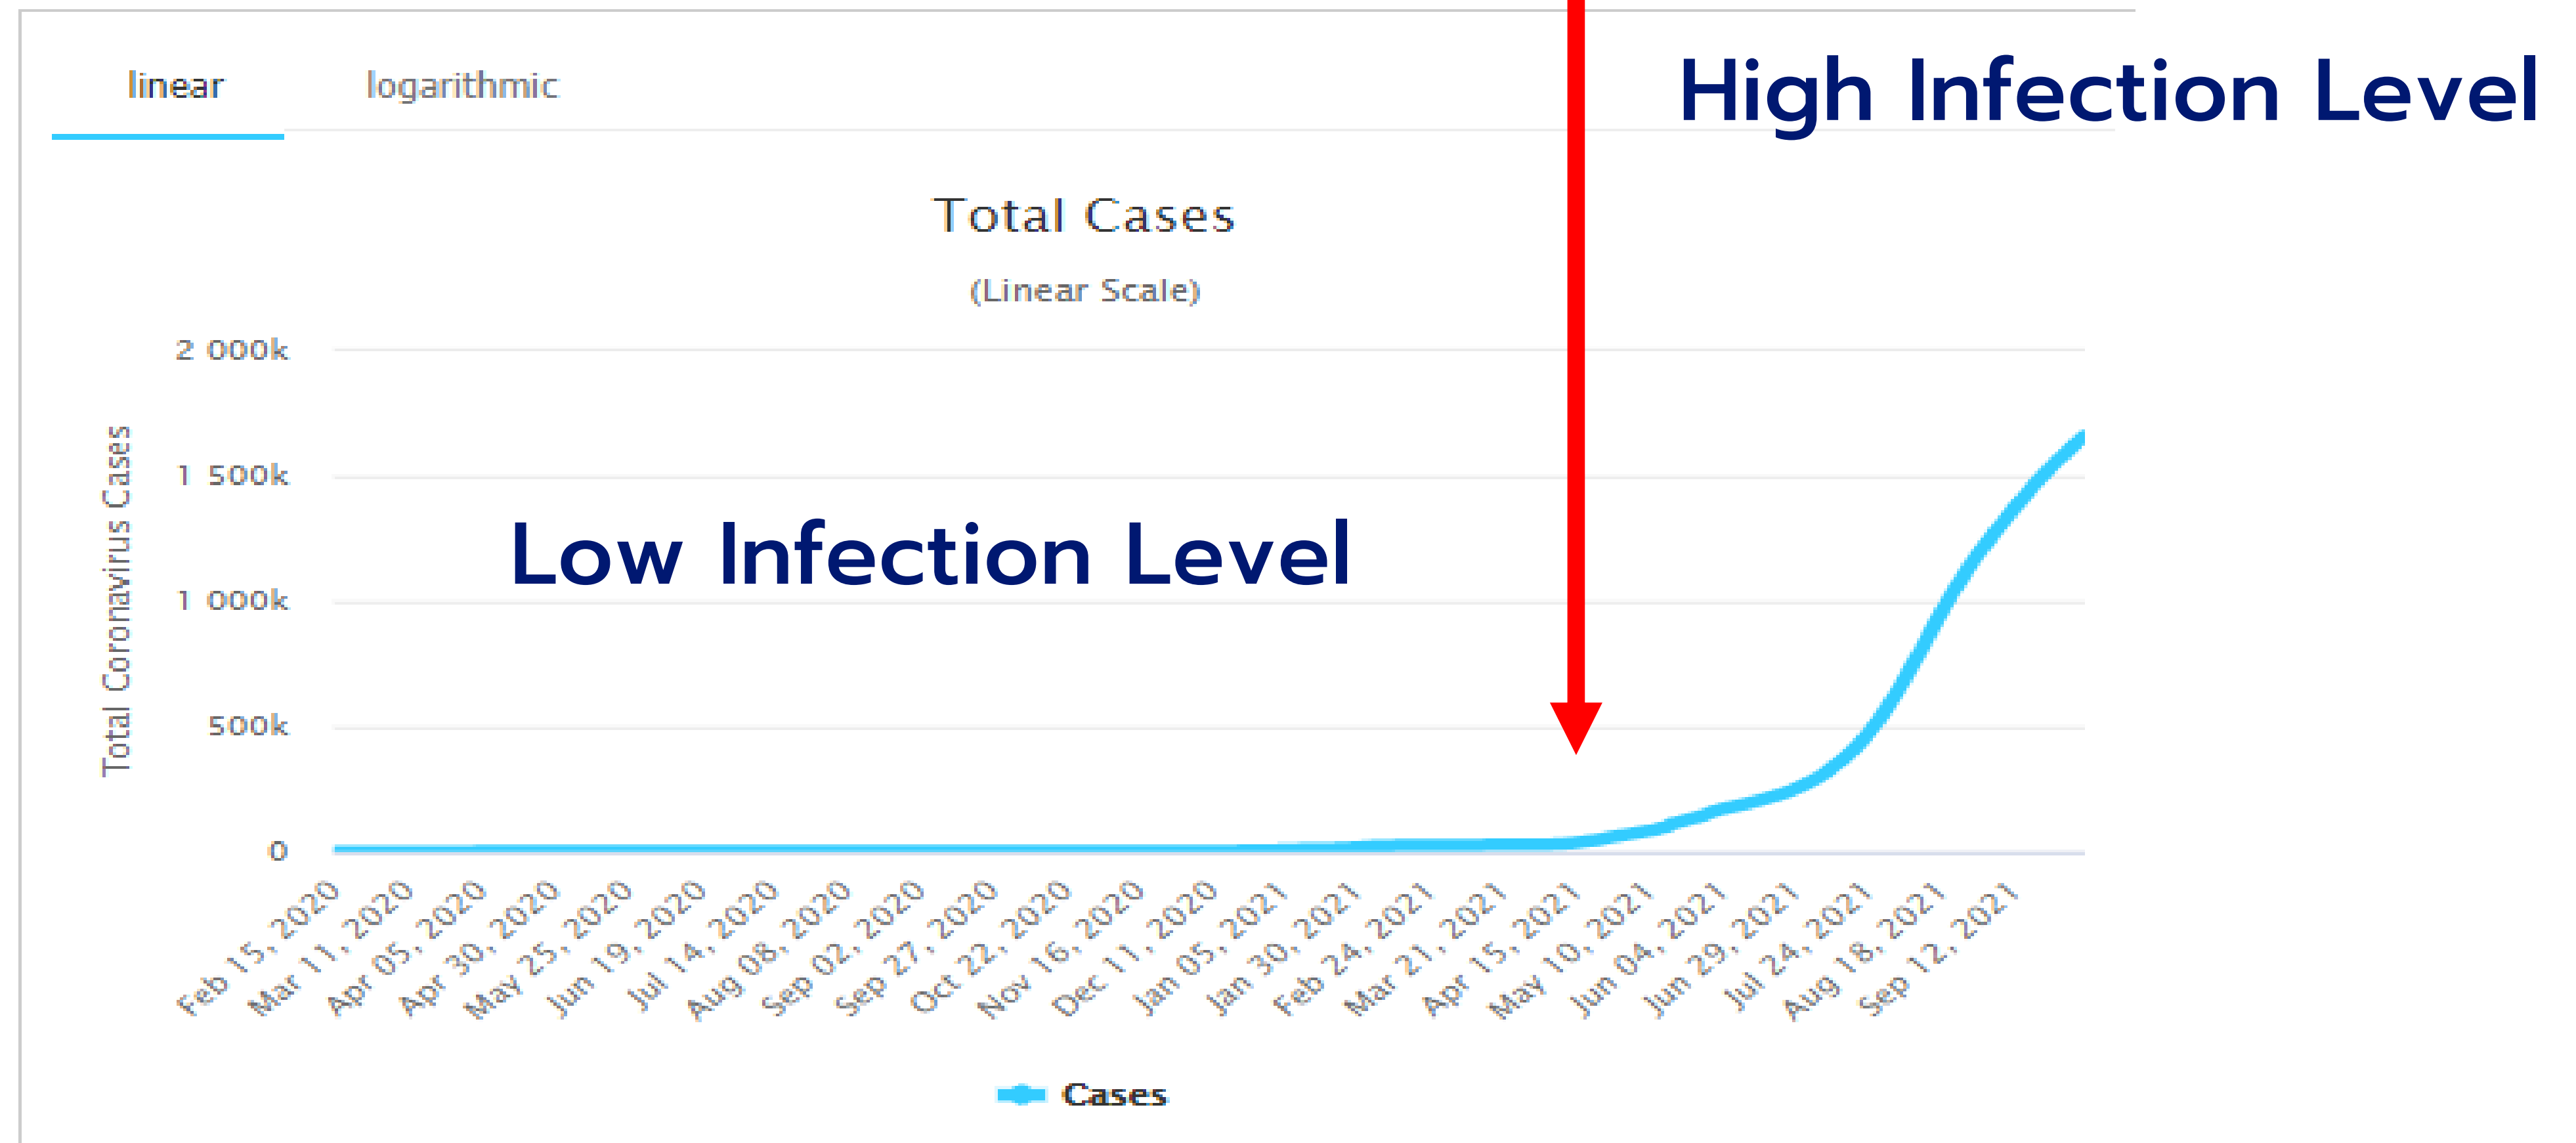

# Court Proceedings in the Pandemic

# Adapting to the Changing Gravity of the Pandemic

---

# Case Management in Different Situations

Total Coronavirus Cases in Thailand

# Prison Clusters and Quarantine of Prisoners

---

# Opportunity to Promote Risk Assessment Mechanism

---

# Online Request for Provisional Release in Criminal Cases

---

# Use of Alternative Measures to Bail

(e.g. community supervisors and electronic monitoring)

---

# Online Request for Appointment of Administrator of the Estate of a Deceased

---

# Helping Self-Represented Litigants to Access to the Court Services

---

# Online Mediation and Setting Guideline for Making Settlement Agreement Online and the Request for Consent Judgement

# Virtual Private Network (VPN) for Judges to Conduct Proceedings from Home

---

# Court Proceedings in the Endemic and the New Normal

# Challenges to the Judiciary:

- Balancing rights of all stakeholders, especially rights of the accused in criminal prosecution and the avoidance of delayed justice;
- Catering to the needs of those who are not technology-savvy; and
- Safeguarding court personnel.

# Additional Health Safety Measures in the Courtrooms

---

- Screening process for parties to enter a courtroom;
- Acrylic screen for the bench, witness stand and lawyer's area
- Supplying ATK – rapid antigen test kits to the courts

# Hybrid case management and dividing tracks for online and offline proceedings

---

# Proposal to Change Laws and Regulations
